SUPPLEMENT TO  
REPORT NO. [REDACTED]

[REDACTED]

25X1X

## DO NOT CIRCULATE

The Reichsautobahn bridge across the Elbe River at Radebeul (N 52/F 29), destroyed at the end of the war, is being reconstructed. Several construction huts have been erected and efforts are being made to raise the sunken bridge section. One small and two large cranes are employed for this purpose. Traffic crosses via an emergency bridge built on the bridge piers which are still intact. \*

25X1A

\* [REDACTED] Comment. The reconstruction of the bridge was reported previously.  
The bridge is scheduled to be completed by late 1951. [REDACTED]
